

New Student Referral Reward Program

*Refer a New Student to Willow Park Academy
Help Spread the Good News of a Private Education*

Willow Park Academy is pleased to announce our **New Student Referral Reward Program**. For years, our students and parents have been our best advertisers. They are an invaluable asset who share positive experiences through simple word of mouth to families, friends and colleagues.

With our referral program we want to reward **YOU** for helping us promote our school to the people in our community.

The New Student Referral Reward Program is a financial gift to families (or individuals) who refer new families who enroll a child in our school for the first time. The reward is a \$300 tuition credit. **New students must enroll for one full school year in order for the referring family to receive credit (one student per family). All families who receive this discount must enroll their child for (1) full school year.**

As a current Willow Park Academy family, you no doubt are very aware of the educational advantage of our educational program.

Please help us share this opportunity with others. If you know of a prospective family who would benefit from learning more about us, please fill out the enclosed referral form.

For more information or to learn more about this highly lucrative offer, please contact office at (410) 277-9354.

Guidelines:

1. Only one referring family per **NEW** family referred will receive the tuition reward.
